A quick assessment and quotation by telephone

"Where speed is of the essence, Stairlift Recycling Ltd is outstanding. Speedy, Efficient, Kind, Compassionate, and offering a great service all round." Helen Sadler

On our first call, we will establish your needs, ask you a few questions about your staircase and give you all the available options, including prices **without any obligation** to purchase or rent a stairlift.

The following can be arranged within 24 hours.

- Our consultant will measure your staircase and establish if any extra power points may be required.
- After measuring your staircase and meeting you, we will confirm our no-obligation quotation.
- We leave you to digest all the relevant information.

If you wish to proceed, the whole process can take less than five days (for a curved stairlift or two days for a straight) from start to finish of the installation.
